Class Poem

It seems that the time has so swiftly gone by
Since we as Freshmen began this journey,
We have come a long way at Haw River High School
Preparing for a still longer journey.

Now that we have reached the goal
That once seemed so far away,
We think of our class as a whole
Soon to part and soon to stray.

Before we leave, we want to remember
The fun and work we all have shared,
Beginning each year in September
With those who taught us and those who cared.

We hope the future that lies ahead
Brings happiness to each classmate,
For we shall never forget how we were led
To the end of a wonderful fate.

Class Song

(Tune to "Moments to Remember".)

September to July, how the days pass quickly by.
The Christmas proms, the fun we've had, and in these
precious days we're glad that we have these moments to remember.

The teachers who have been so swell,
The things they've taught, we know so well,
we have these moments to remember.

Tho' this year means our last, we will cherish these
mem'ries forever. The wonderful things we leave behind, we'll
remember forever and ever.

The plays we've given, the banquets too. We leave these
things to all of you, but we have these moments to remember.

Now time has come for us to part, but dear Haw River
will live in our hearts. Yes, we'll have these moments to
remember.

Song writer, Becky Rider.

Class History

A big night! June 1957, Graduation! The auditorium at Haw River High School is filled with the excitement of friends as they await to see the dignified Seniors of '57 march down the aisle - these Seniors, who four years ago were not so dignified.

Let us look back into the past as we began our first day as Freshmen. Thirty one of us were fascinated by the ringing of the bell to signify the changing of classes, being elected officers of our class and Student Council, and by being asked to join the clubs we had looked forward to. Our biggest thrill was dressing up for our first Christmas Prom. Thus we began our long, happy journey through High School.

There were twenty-nine to begin our Sophomore year. Our time passed quickly as we participated in sports and other activities. The activity we were most interested in was our sponsoring the Christmas Prom. We spent many long, hard hours to make it a beautiful "Winter Wonderland." We were very proud of our success.

Time passed quickly during our first two years of high school, but our Junior year passed by almost too swiftly. The class, numbering twenty-six, had many important activities to look forward

to. We had a very successful Junior Play, "Glory to Goldy." We sold magazines to sponsor a lovely Junior-Senior Banquet. Our theme was "Hitch Your Wagon to A Star." We thought it to be a gratifying success. We all knew that soon we would be taking the role as the most important individuals in school.

Then our big moment came. We received our gleaming gold classrings, which we wore with pride.

Seniors at last, there were twenty-four of us and each was determined to make this the happiest year of our long, long journey through high school. It was a wonderful year filled with excitement, such as our Senior Play, a most thrilling trip to Washington and New York, and the wonderful Junior-Senior Banquet, where we, at last, were the "honored guests."

Our biggest moment had finally arrived - Graduation! We had achieved our goal.

We have reached the present again, realizing that the classmates in caps and gowns are standing together for one last time, at the end of our journey, awaiting proudly and with dignity, more goals to be achieved as we prepare to leave Haw River High School and go our separate ways.

Class Prophecy

The other evening when I went to a Gypsy to have my future told, I looked at the crystal ball and noticed the way the vision came in and then went out so quickly; it made me think of my years in school - our activities, our studies, and our plans for the future. It is true just like the vision that we graduated so quickly; we disappeared almost in a cloud of smoke. It was then I decided to find out where everyone was. It took quite some time, but I believe this crystal ball has aided me in discovering what every last one of them was doing in the future years.

Sandra Hughes is now in Hollywood, doing a program with Elvis Presley. Of course that's what she has always wanted to do.

Joan Fulcher is also in Hollywood, and she's trying to take Elvis away from Sandra, since she is the producer of the program Sandra and Elvis are doing.

Dorothy Webster is now married and doing typing for her husband at Western Electric.

Jessie Mae Bradshaw is now a private secretary for Bennie Hester, and you can find her most any time sitting on his lap taking dictation.

Frankie Bosquet is now coaching at Wake Forest, and he is also rearing five little football players.

Maurice Clayton is now an all-star basketball player for State College.

Robert Jones now owns four new Cadillacs, for he is doing very well in his new Civil Engineering Corporation.

Becky Rider, who is now in Hollywood studying ballet under Cyd Charisse, is well known for her unusual dances and has been signed to a movie contract by M.G.M.

Carol McBride is now a head nurse for surgery in Alamance County Hospital.

Bobbie Smith is now head nurse of the pediatric ward at a hospital up north. She also has a part time job as a housewife.

Frances Turner is now a beauty operator and fixing her own little girls' hair.

Barbara Terrell is in Paris where she models in the exclusive fashion shops of Dior and Fath.

Joel Fulcher is now part owner of the Ford Corporation where he designs his own cars and has with him, Bud Faucette, the top mechanic.

Jane Clark and Donn Trollinger finally tied the knot. Donn is now in the paratroopers and Jane is a successful housewife.

Frank Way has a partnership in Burlington Mills, where they are really turning out the products.

Bobby Bason is owner of the Valleydale Meat Company, where he sells meat to all who can afford it.

Wilma Cheek is now a recording star in New York. She also owns a music store where she sells and listens to Elvis Presley and Pat Boone records.

Curt Laster owns a large mouse trap company where he sells many, because there are many rats around.

Jack Turner is the owner of a large race track where he also races, with his Ford.

Mary Fogleman and Boyd Satterfield are married and are working for the FBI in Washington.

Our Senior adviser, James Davis Jr. is now a Colonel in the United States Army.

As for me, I am rearing a ba team and working at Western Electric and liking every minute of it. It was wonderful to see what all my classmates were doing, and to discover they were getting along so well.

Our second game was played at home with Randleman. Randleman took this game with a 12 to 19 score.

Bethel Hill was our third game, with whom we had a good night. The score: 26-0.

Our fourth game was played at Siler City. This was the first game of the season that Siler City lost. We won this game with a score of 24-13. We played in mud and water until we were soaked through and through.

Our fifth game was played at Holt. The game was a tough loss. 28-7.

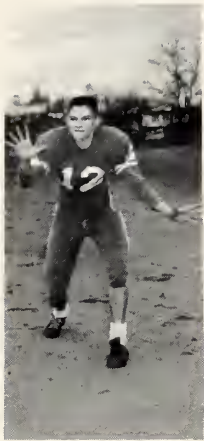

Our sixth game was with A-W. We played a good game but the final score was 0-7 favor Wilson.

Our seventh game was with Mebane. It was our best played game of the season, although we lost. The score: 6-14.

The eighth game of the season was played on our field. This was our largest scoring game of the season. The victory was ours with the final score of 45-0.

Our final game was played at Rankin. Our boys were sorry this was our last game. The victory was ours with the score of 24-6.

This year our girls team is again being coached by Art. Claar.

We elected Bobbie Smith and Janice Tripp as Co-Captains.

The starting line-up consists of: Mary Fogleman, Sandy Hughes, and Janice Tripp - Forwards. Bobbie Smith, Reva Riley, and Rhonda Thompson - Guards.

We think this year is going to be a very successful year of play for us.

Our first game with Wilson was very successful, we beat 45-34. The second game with A-O was a little more exciting, with us the winner, 43-42. Holt, the third game, we were victorious by a 32-24 margin. The following game was a bye, with Bethel Hill Again we were victorious - 49-25. The fifth game was with Sylvan on their court. There we were handed our first defeat: 34-31. Our sixth game was with Pleasant Grove on their court, with us the winner, 35-28. The seventh game was a bye with Aycok, which we narrowly escaped defeat by the score of 42-40. Our next game was with Mebane on their court. We won by a 73-60 margin. Our last game, up to date, was with Whitney. This was a rough and scrappy game, but we were still victorious by the score of 31-24.

We have started this basketball season with a fair record. We have won 6 and lost 3.

All our games have been played away from home except three; therefore the other teams have had an advantage over us.

We got off to a rough start in our first game with A-W, which we lost 37-54.

In our second game with A-O we had to play overtime and a sudden death, only to win, 63-61.

We were defeated by Holt 71-67 in a three minute overtime.

We had a very good night when we played Bethel Hill which was a non-conference game. The score was 74-38.

With Sylvan, we had a good night with a 61-51 victory.

Pleasant Grove was our sixth game in which we were victorious by 60-44.

Our Second bye game was with Aycock, us being the victor, 61-47.

The eighth game of the season was with Mebane at Mebane, where the bottom fell out. Mebane won 51-79.
